

What is this all about?

As an organization, we wanted to recognize, and more importantly encourage those with special abilities to participate in a physical event that many of us take for granted. We want to celebrate with you and for you! At last year's event, we were blessed to have an amazing and supportive in-person crowd cheering on our participants. Obviously, we are not able to host that same crowd this year, but our hope is that we can in the near future! Until then, our goal is to continue with this event just on a safe, virtual, platform.

Who qualifies for the FREE Miracle 3:59?

We encourage anyone with a mental or physical disability to complete their 1/4 mile run, walk or stroll, virtually, at no cost to the participant. This event is specifically for those with special abilities, however we encourage friends and family members to participate as well - the more the Merrier! Only the registered participant will receive a free long sleeve tech shirt and Santa hat. Additional shirts for friends and family are available for purchase or they can register under the "Miracle on Main Street Mile" event to receive race gear. (See pricing details for our Miracle Mile event below)

Why is this event FREE?

Our goal is to allow everyone to participate in this special event - no matter their financial situation!

Extras!!!

As you register for this event - our friends and sponsor "My 3:59" will be reaching out to you directly to introduce themselves. This amazing group is there to encourage you, help set up training plans, and most importantly support your journey!

Why are we virtual only?

For the safety of our participants and volunteers, as well as following local guidance, we have decided it is best to conduct our 2020 race on a completely virtual platform. By committing to this decision early we think we've made our event just as enjoyable as always under the circumstances. Truthfully we feel this allows us to extend our scope and spread the mission of Life's Better Together to so many more throughout the state.

When is the event?

Run or walk 1 mile virtually any time of the day or night between 12/5/20- 12/13/20.

Where?

Since this event is virtual, participants are able to complete their 1/4 mile in their hometown, a town they are visiting or choose a location to in which to complete their race.

How much does the "Miracle on Main Street Mile" cost?

100% of your registration fees will be used to provide financial peace of mind to local families with a child or parent battling a critical illness. This event is one of Life's Better Together's two annual fundraisers so its success is critical.

\$20 for individuals registering prior to 11/8/2020

\$25 for individuals registering after 11/9/20

We do offer a 10% discount for families or groups of 4 or more.

We do enjoy groups of families and friends - remember to socially distance and wear your masks!

Businesses can even get in on the fun and join our Corporate Challenge!

What do I get for my registration?

Most importantly you get the satisfaction of knowing you completed your 1-mile AND supported families battling a critical illness at the same time! This year every participant who registers prior to 11/18/20 will be guaranteed a long sleeve event tech shirt and a Santa Hat presented by SERVPRO of Warren County.

What makes this different from other "Virtual Races?"

We all know 2020 has been a challenging year for everyone for different reasons. Our goal is to celebrate small businesses and the communities that truly make this state amazing to live in! Along your route - take a photo/selfie in front of a decorated town square, a courthouse, Christmas lights, a local business, or any landmark that shows your community's character. Make this fun by visiting an area or town that you've never been before!

How do I cross the Finish Line?

We ask all participants to take their selfie, family picture or group photo with their landmark and email it to lb2getheroffice@gmail.com. Make sure you provide us with name(s) of the participants, team/group name (if applicable), the town name and the landmark or building you chose to showcase. This is extremely important as these details will be used to determine awards!

What will you do with the photos?

All photos will be posted on our Facebook Event page using our sponsors' custom picture frame.

Are there any awards?

Funny you ask! Since we will not have age group or timed awards this year, we are going to use the submitted photos to determine awards. Award categories include:

Furthest Town from Bowling Green, KY

Best Town Name

Best Family Photo

Best Dressed (remember holiday spirit)

Best/Most Creative Finish Line Photo

Corporate Challenge Award - presented by Crocker Law Firm
